

**§ 120-171. Procedures if findings made.**

(a) If the Commission finds that it may not make a positive recommendation because of the provisions of G.S. 120-166 through G.S. 120-170, it shall make a negative recommendation to the General Assembly. The report to the General Assembly shall list the grounds on which a negative recommendation is made, along with specific findings. If a negative recommendation is made, the Commission shall notify the petitioners of the need for a legally sufficient description of the proposed municipality if the proposal is to be considered by the General Assembly. At the request of a majority of the members of the interim board named in the petition, the Commission may conduct a public hearing and forward any comments or findings made as a result of that hearing along with the negative recommendation.

(b) If the Commission determines that it will not be barred from making a positive recommendation by G.S. 120-166 through G.S. 120-170, it shall require that petitioners have a legally sufficient description of the proposed municipality prepared at their expense as a condition of a positive recommendation.

(c) If the Commission determines that it is not barred from making a positive recommendation, it shall make a positive recommendation to the General Assembly for incorporation.

(d) The report of the Commission on a petition shall be in a form determined by the Commission to be useful to the General Assembly. (1985 (Reg. Sess., 1986), c. 1003, s. 1.)
